FOR YOUR INFORMATION I AND MY WIFE USE XM RAIDO TRAFFIC AND WEATHER REPORTS DAILY IN OUR TRAVELS AS A TRUCK DRIVER TEAM OPERATION WE FINALY FOUND A SERVICE THAT GIVES US GREAT INFORMATION MUCH BETTER THAN ANY LOCAL REPORT GIVES SO WE CAN MAKE LOAD DECISIONS BEFORE WE EVEN GO TO THAT LOCATION AND LOOSE TIME SITTTING IN TRAFFIC OR WEATHER. WE OPTANNED THIS INFO WHILE SITTING IN SALT LAKE CITY, UT SOME 1000 MILES BEFORE WE EVEN LEFT YOU CANN'T DO THAT ON A LOCAL RADIO OR TV. WE CHOSE NOT TO ACCEPT THIS LOAD DO TO BAD WEATHER REPORTS IN NEBRASKA AND HAD WE TAKEN THIS LOAD WE WOULD HAVE BEEN RIGHT IN THE PATH OF ALL THOSE TORNADO'S THEY JUST HAD. PLEASE DONT MESS WITH XM OR TRY TO REMOVE THIS SEVICE FROM THEM IT'S A VAUABLE SEVICE TO OR INDUSTRY
THANKYOU

MICHEL C. MUNGLE
